INTRODUCING
DC AVIATION
AL-FUTTAIM

GERMAN QUALITY MEETS ARABIAN HOSPITALITY

DC Aviation Al-Futtaim is a joint venture between DC Aviation, a leading German business jet operator, and Al-Futtaim, a privately-owned UAE business conglomerate. Operational in Dubai since 2013, this partnership has been formed to create a centre of excellence for quality business aviation operations in the Middle East.

Our UAE office is managed by a senior team of business aviation executives and employs experienced flight & cabin crew, type-rated engineers, mechanics, operational & despatch personnel and ground handling staff. In addition to operating and managing aircraft that provide an exceptional range of capability, performance and comfort, we offer clients the satisfaction that comes with unmatched levels of customer service.

OUR FACILITIES

Located near Al Maktoum International Airport, we enjoy all the amenities that our luxurious, state-of-the-art and time-efficient facilities offer. We selected Dubai South – the future hub of aviation in the UAE – as our preferred base while the airport was still under construction and as a result our facilities have been purpose-built with our clients in mind.

We secured the prime location for our VIP Terminal, FBO and hangars enjoying the closest possible proximity to the runway threshold, thus ensuring that arriving and departing aircraft benefit from the shortest taxi times. Ours is a business where Owners value their time. Our parking positions are designed to permit Owners to arrive direct to the VIP Terminal without the need for a vehicle transfer, adjacent to our own air-conditioned hangars, with police, customs and immigration integrated within our facilities, you are assured of the most timely, efficient friendly and professional departure or arrival.

ABOUT US

DC Aviation Al-Futtaim LLC is a joint venture between DC Aviation and Al-Futtaim.

DC AVIATION

DC Aviation is a German business jet provider headquartered in Stuttgart. The company has gained comprehensive experience in aircraft management during its 22-year corporate history. Today, DC Aviation offers a complete portfolio ranging from aircraft management via aircraft charter to the maintenance of business jets and handling services.

The company runs one of the largest and most versatile business fleets in Europe. Its fleet includes the Cessna Citation XLS+, long distance jets such as the Gulfstream G650 and large-cabin jets like the Airbus 319 CJ.

AL-FUTTAIM

Established in the 1930s as a trading business, the Al-Futtaim Group today stands as one of the most diversified, progressive, privately held regional businesses headquartered in Dubai, United Arab Emirates. Structured into five operating divisions; automotive, financial services, real estate, retail and health; employing more than 42,000 employees in more than 20 countries in the Middle East, Asia and Africa, they partner with over 200 of the world's most admired and innovative brands.
